

Beitostølen is an ideal ski destination for families and beginners because of its relaxed atmosphere and the vast amount of gentle slopes. This Norwegian ski resort has 20km of uncrowded slopes, which are ideal for peaceful skiing. In addition, it has a brilliant snow record because of its geographic location. Whether you're on the slopes or in the main village there are breathtaking views of the incredible alpine landscape.

Top Runs

- Beginners are spoilt for choice with many green and blue runs in the area. Stolheisbakken and Olabakken are the best gentle blue runs.
- For intermediates, there are two easy red runs in the area. They are both accessible from the Carlheisen lift.
- Advanced skiers can head to the Raudalen ski area which is accessible by bus with your lift pass. Here there are two black runs.
- In addition, there is a ski cross race track and fun park if you want to try something different.
- Beitostølen has fantastic cross-country ski tracks for all levels of skier. There's an impressive 320km of routes in the area.

Best for Après Ski

- **Svingen Pub**
Known as the first pub in Beitostølen, Svingen has a relaxed atmosphere. Local bands regularly play there if you want to listen to some Norwegian classics.
- **Bryggerihuset**
This bar has a great mixture of local craft beer and some European classics. There is an impressive amount of drink options to enjoy on tap.

Recommended Restaurants

- **Heimatt**
Enjoy an exquisite fine-dining experience with Norwegian cuisine influences. This restaurant prides itself on local ingredients and incredible flavours.
- **Jotunstogo**
Located in the centre of town, this restaurant is perfect for families. It has great fast-served food and a large playroom.
- **Huset Steak & Bones**
Influenced by American steak houses, Huset Steak & Bones has a variety of classic American dishes.
- **Peppes Pizza**
If you're looking for an easy takeaway pizza, Peppes Pizza is a good choice. There are some great deals to feed all the family.
