

Norefjell offers a peaceful ski experience in Norway with gentle slopes and a laid-back atmosphere in the village. There are 25km of slopes, which are most suited to beginner and intermediate skiers. There are a few black runs for the more advanced skiers, some of which are the steepest in Norway. Off the slopes, you can truly unwind in Norefjell's incredible spas. The views over Lake Krøderen are breathtaking, wherever you are in the area.

Top Runs

- Beginners will enjoy blue 12 next to the Olaheisen lift, which is also near the beautiful Lake Krøderen.
- Intermediates will enjoy the red 27 run that leads to the Boseterheisen lift.
- More advanced skiers will enjoy challenging themselves on the black run 6 or 9 that both lead to the bank of Lake Krøderen.
- There's also 120km of cross-country ski routes to enjoy in the area. Perfect for any level of skier.
