

Warth-Schröcken is known for its brilliant snow record and diverse terrain. The Austrian ski resort has a peaceful atmosphere and fantastic skiing. The ski resort itself has 68km of pistes, but with a full Arlberg pass, you can access 305km of slopes linking to Lech, Zürs and St. Anton. You can admire the beautiful mountain scenery in the villages themselves. A lovely hidden gem within one of the largest ski areas in Austria.

Top Runs

- There are dedicated children and practice areas near each village that are perfect for beginners.
- At the top of the Jägeralp-Express 6-man chairlift, there's a selection of blues to choose from. Perfect for those who are progressing from the nursery slopes.
- In Schröcken there is a nice relatively long red run descending from the Sonnen-Jet chairlift. This run has a couple of alternative routes to try too.
- Advanced skiers can try to complete the Run of Fame ski circuit. 85km of pistes stretching over the Arlberg ski area. It's one of the most legendary ski experiences in the Alps.
